

Candidate for the Managing Committee

Jerson
Da Silva

- Jerson is an established Master Mariner with more than two decades of experience in the oil and gas industry. His current role as a Marine Consultant and OCIMF Inspector speaks volumes about his expertise in leadership, risk management, and attention to detail. Beyond his professional achievements he is also the President of the Goa Maritime Officers Association, he has demonstrated his ability to lead, collaborate, and represent the interests of our Goan maritime community effectively. This leadership experience will undoubtedly enrich our sports club's endeavors.
- He actively participates in sports like badminton and table tennis and is committed to staying physically fit and mentally sharp. He has carried out impressive feats in running and cycling marathons which exemplify his unwavering dedication to pushing boundaries and fostering personal growth. His dedication to community engagement is evident in his desire to organize exciting events, tournaments, and charitable activities that will not only unite our club members but also give back to the larger community. His commitment extends to improving our club's facilities, ensuring they are safe, accessible, and equipped with modern amenities.
