

Candidate for the Managing Committee

Oscar
Wolfango
Abreu

- Oscar has 37 years of experience as a banker with Canara Bank and has a sound understanding in liabilities management. He is a firm believer of sustainable development with a complete focus on ecology. Having held posts of chairman and secretary of a housing society, he understands how a managing committee works. Currently an active carrom player, Oscar has represented his school/college in Table Tennis and Badminton.
- Oscar is a very senior active member of the BPS club. He is also a member of Club Harmonia and this club culture has been an integral part of his life since his childhood days. He is an advocate of community building and considers BPS club as his second home. If elected, he believes his experience can contribute in developing the club for the members, in a very sustainable way.
